Weddings, Special Events & Group Bookings

Weddings ceremonies are not permitted on the premises due to local ordinances. Wedding, special event and group organizers may reserve a block of rooms or the entire inn for a private group of lodging guests, which will block the rooms and limit guests to that specific group. The organizer will be responsible for initial deposits needed to secure the reservation, while individual guests can book their own rooms with separate payment. Both houses (7-rooms + Kitchen suite) are possible, subject to availability and will be blocked for invited guests to book individually. All room prices are subject to current pricing available at the time each room/guest is booked. All reservations must be completed by phone.

Deposits Required:

- \$500 security deposit at time of reservation is required to hold the block and is paid by the organizer.
 - A \$20 per room, per night service fee +tax will be deducted from the organizer's deposit after the event.
 - The balance of the security deposit is released 10 days after event and may be forfeited if cancelled.
- As each separate guest books their room, standard room deposits will be collected for each reservation.
- Anytime more than 60 days before the event: The organizer may release any unsold rooms without penalty.
- All rooms must be separately reserved by members of the party more than 30 days before the event.
- At 30 days before the event: Any unsold rooms will be charged to the organizer. The additional room charges will be added to the organizer's credit card on file.
 - These unsold rooms may be assigned to late guests by the organizer, with a \$25 processing fee deducted from each refund as guest payments are made.

Minimum Stay:

- All special events will require a 2-night minimum stay for all rooms in both houses. No discounts or gift cards apply.
